

Chief, Organization and Methods Service

Acting Chief, Supply Division

Request for Gray Autograph Transcriber and Recorder

- REF. : (1) Your memorandum to Chief, Supply Division, dated 10 March 1953, subject same as above.
- (2) Memorandum from Chief, Supply Division, dated 2 March 1953, subject same as above.

1. Your attention is invited to attached Requisition No. BSO/B/2869-53, initiated by the Finance Division and signed by [REDACTED] as the approving officer.

2. As pointed out in Reference (2) Gray Autograph equipment is not stocked by this Agency, and Supply Division feels that the Time Master models of the Recording and Transcribing Dictaphone equipment, which are regular stock items, will accomplish all that the Autograph equipment will. Additionally, Dictaphone equipment is less expensive.

3. It is recommended the same proposal as to a trial period with Dictaphone equipment be made to Finance Division as was made to OSI and mentioned in reference (1).

4. Request a survey be made in the requisitioning office to determine and recommend action to be taken in connection with the procurement of the subject, non-stock item.
